Россия
Прочитайте текст и скажите, какое утверждение верно (true), а какое неверно (false):
Russia
The Russian Federation is the largest country in the world. It occupies one seventh of the Earth's surface. It is situated both in Europe and Asia. The country is washed by 12 seas and 3
oceans: the Pacific, the Arctic and the Atlantic oceans.
There is no country in the world like Russia, with the steppes in the south, plains and forests in the midland, tundra and taiga in the north, highlands and deserts in the east. There is a great number of rivers in Russia. The Volga, the longest in Europe river, flows into the Caspian Sea. The main Siberian rivers – the Ob', the Yenisey and the Lena flow from the south to the north. The Amur in the Far East flows into the Pacific ocean. The deepest lake in the world is Baikal. The water in the lake is so clear, that you can see the stones on the bottom.
Because of the vast territory there are various types of climate in the country. The climate varies greatly in different regions.
Russia is very rich in oil, coal, iron ore, natural gas, copper, nickel and other mineral resources.
